

## PRUDENCE

Robust twin, white ewe lamb. Daughter of AI sire Prudur. This ewe has beautiful deep body with excellent body length, nice wide chest, lovely wool, stocky stature. Both the dam and sire have super meat builds. My most friendly ewe. AI genetics are 79% from Prudur, At, Hunn and Flotti. Base color is black under her white pattern.

Sire: [AI sire Prudur](#)

Dam: [Billie - daughter of AI sire At](#)

DOB: April 8, 2017

Lambing Record: NB, 2, 2, 2, 2, 2

**Fall 2023 Breeding: *Prudence is bred to AI sire KURDO for Spring 2024 lambing. ☐ Lambs will be black for color and carrying moorit from sire. ☐ Patterns could be white, solid, or grey. ☐ Lambs will carry 90% AI genetics.***
