

Luxurious Icelandic Lopi

Our lopi style yarn is a bulky, single ply, loosely spun yarn in the Icelandic tradition. Usual yield is approximately 310 yards per pound. Very soft farm blend of our Icelandic wool and dehaired llama fiber. This lopi yarn had a light-medium overall tone and is a blend of cream, light grey and brown. This yarn has about 15% llama for added softness. Available as 7 ounce skeins.
