

Galileo is a grey spotted ram from Frelsi Farm. Although his fleece is white, his grey spotted ears give away the fact that he is a spotted black grey. He is 50% AI out of Blettur. A beautiful ram with a fine head and absolutely perfect hornset. A super nice fleece to boot.

Sire: ☐ **Blettur 05967**

Dam: **FFC-282M**

Born:☐ **April 18, 2008**
