

Twin, black mouflon ram lamb born 2013. This is an AI son of Grabotni, an outstanding ram in every department. This dashing ram has every indication of being as good as the sire. excellent conformation with especially nice wide chest and straight legs, terrific muscling, lovely and abundant wool. Very wide and well muscled rump. Brando also has a wonderfully sweet personality. AI genetics are 89% including Grabotni, Lodi, Blettur, Kari, Rektor, Serkur.
