

Twin, white ram lamb. Son of AI sire Prudur. This ram is growing quickly with beautiful deep body, nice wide chest, lovely wool, stocky stature. Long bodied ram. Both the dam and sire have super meat builds. The dam has plentiful milk for fast growing lambs. AI genetics are 79% from Prudur, At, Hunn and Flotti. Base color is black.

Sire: [AI sire Prudur](#)

Dam: [Billie - daughter of AI sire At](#)

DOB: April 8, 2017
