

Twin, moorit badger ram out of Katherine and Al Throttur son, Fritz. He carries 66% AI genetics from: Kani and Flotti from the dam and Throttur, Mango, Moli, Eldar, Laekur, Grimur, Heli, Morro, Bambi, Hynkill and Flotti from the sire. Good long body, awesome fleece, nice correct legs. Should be an excellent father of milky daughters as he is out of one of our top milking lines. Handsome!
