

Twin, heterozygous white ram lamb. Born large, 10.5 pounds, growing nicely. Mom is very milky and attentive, so these twins will grow quickly. Dam is very large and was bred to one of our most well muscled rams. Expecting excellent growth rate. 68% AI genetics from these sires: Eldar, Grimu, Noi, Blettur, Fengur, Bruni, Stubbur, Horvi, Bambi, Morro, Hynkill, Heli and more from the dam and Grimur, Gramman, Kjalvar, Laekur, Guffi, Tyr, Kveikur, Hunn from the sire. These twins were born very "wooly", so hoping they inherit the gorgeous wool of the dam.

Sire: [GRIMULFUR -- AI son of Grimur](#)

Dam: [LIZ FFC-896C](#)

DOB: April 14, 2020
