

Katey

One of the matriarchs of the flock, a sweetie. Katey is one of my most trusted, bullet-proof ewes, producing the best twins year after year. She really shows her meaty AI lines--56% Laekur and Noi. Her sire is on the top ten list for meat classification in Iceland. Creamy white fleece. Our most friendly ewe, an excellent mother, and lots of milk.

AI genetics: 1/2 Laekur and 1/16 Noi for a total of 56% AI breeding.

Sire: Laekur 97843 AI SIRE  
Dam: TNY-696N (twin)
