

KFM-117U Rasta Girl

Twin. Big black girl with beautiful black silvering fleece. Nice stocky profile. 1/16 Bambi, 1/32 Noi, 1/32 Hunn, Morro, Moli, and Peli for a total of 22% AI. She is a super attentive and milky mother. Her twins last year were the biggest of the lambs with very good parasite resistance. Really lovely and super abundant fleece with long tog and nice amount of thel.
