

First generation AI ewe, sire is Rektor. We love this girl-- everything about her is so good! Loads of very fine white fleece. Excellent build with great muscling. AI lines: 1/2 Rektor, 1/4 Muli, 1/8 Laekur for a total of 7/8 AI! Carries color, as Rektor is spotted black AI sire. Will sell this ewe, or her yearling daughter, KTB 210X.
