

## Skeeter

This girl is out of our best fleece line, a granddaughter of Wrena. She also has the excellent muscling of her AI grandsires, Dropi and Grani. She has the potential to be one of our best ewes, all around. AI lines include: 1/4 Dropi, 1/8 Grani, 1/16 Munkur and Bambi and Flotti, 1/32 Udi, Grimur and Spenn plus a little Morro and Molur for 69% AI total. Skeeter carries color, badgerface for pattern, plus spotting. Her ewe lamb this year is a spotted black badger.
