

Tinkerbelle

Another wonderful ewe from Jager farm. There is something about this girl that really sparkles, hence the name Tinkerbelle. Wonderful AI breeding includes 1/4 Alfur and Hylur, 1/8 Grimur, 1/16 Sponn and Moli plus a little Heli for a total of 67% AI. She has proven herself to be a devoted mother with a terrific milk supply.

D.O.B.: May 15, 2010
