

FAITH

FAITH

Lovely, spunky white twin. Extremely pleased to have this AI Guffi daughter out of our AI Bifur ewe, Francine. So far, she looks to have everything we breed for: excellent muscling, conformation, and great fleece. Beautifully shaped udder, excellent milking abilities. Her AI genetics: 90% with Guffi, Bifur, Grani, Heli, and Flekkur. Faith is heterozygous white and has solid as her other pattern gene. Excellent fertility, twins as a ewe lamb. Friendly ewe.
