

REBA

REBA

Twin, white ewe out of AI sire Hergill. Excellent muscling and fine conformation on this girl. Excellent wide and deep chest and superb rump muscling. A super fleece with very fine tog adds to her other fine qualities. AI lines: Hergill, Gaddur, Laekur, and Flotti for 84% AI breeding. Excellent fertility so far. Twins as a ewe lamb. Amazing mother. Calm temperament.

Sire: AI sire Hergill 08-870

Dam: TCE 405U AI Gaddur daughter

Date of Birth: April 9, 2013
