

## Crystal

Big, beautiful single out of an AI breeding of Grabotni sire and one of our most milky ewes, Weslea. AI genetics include 1/2 Grabotni, 1/8 Bambi, 1/16 Rector, 1/32 Noi for a total of 72% AI total. As her markings indicate, she will throw black, mouflon and possibly moorit and solid. She has grown out to be a good sized ewe with a nice conformation and even muscling.
