

Robust twin, black grey ewe lamb out of Wynonna and our AI Grabotni son, Brando. Wynonna is doing a fantastic job with her lambs. Patient ewe with a beautiful udder and lots of milk. This ewe lamb carries 80% AI genetics: Grabotni, Lodi, Blettur, Serkur, Kari and Rektor and from the sire and Raftur, Grani, Kveikur, Lodi, Kani, Morro, Blaevar, Hunn, Eldar, Kongur, and Molur from the dam. Nice chunky ewe lamb with excellent chest, nice straight topline, and well muscled rear and legs.

DOB: April 29, 2016
