

TRISHA

TRISHA

Gorgeous heterozygous white ewe, twin. Super abundant and lovely fleece. Her conformation is great, with straight topline and very long body. Well muscled ewe with abundant fleece. Huge udder on this ewe this spring. A granddaughter of Blettur, one of our favorite AI sires ever. AI lines include: Blettur, Rektor, Gaddur, Moli for 66% AI breeding. Big triplets this year, all born without assistance. She carries grey as her other pattern gene.

Sire: FFC 749Y AI Blettur son

Dam: Freya O2U AI Gaddur daughter

Date of Birth: April 15, 2012
