

WYNONNA

WYNONNA

Twin, homozygous grey ewe. Her lamb fleece won the blue ribbon for Natural Color- dual coat at the VT Sheep and Wool Festival. Gorgeous fleece, long body, nice straight topline, excellent legs and evenly muscled overall. AI genetics: Raftur, Grani, Kveikur, Lodi, Kani, Morro, Blaevar, Hunn, Eldar, Kongur, and Molur for 70% AI. This beautiful ewe could also be carrying moorit from her sire. Excellent fertility so far. Twinned as a ewe lamb and an excellent mother.

Sire: TCE 689Y AI Raftur son

Dam: TCE 646Y

view pedigree: [TCE-821A](#)
