

Lively twin, heterozygous white yearling ewe out of our a really fantastic ewe, Goldie, and our AI Drifandi-son, Scoot. AI genetics are 86% from Drifandi, Goli, Rektor and Hylur, Spenn, and Moli from the sire and Raftur, Kveikur, Grani, Gaddur, Laekur, Flotti, and Lodi from the dam. One of the top ewe lambs from last year. She has proven herself now as a great mother raising a beautiful ram lamb this spring.

Sire: [AI Drifandi-son, Scoot KTB-603B](#)

Dam: [Goldie TCE-826A](#)
