MANDY

MANDY

Twin, heterozygous white ewe out of AI sire Gosi, a superb sire with unique bloodlines. Nice topline, with excellent deep body with a great chest and well muscled overall. Calm temperament. AI genetics are 78% from 11 different AI sires including: Gosi, Lundi, Laekur, Raftur, Grani, Aboti. Could carry moorit and second pattern is either grey or solid. Hoping to see some very good milking abilities with this ewe as she has Dancing Lamb Dairy grand dam.

Sire: GOSI Al sire

Dam: TCE 926B

View Pedigree
