

Blaevar: Ram # 90-974. White but carries color, horned. His horns have a tight curl. His head is broad and his neck is thick and well muscled. His back is strong, chest broad, deep and muscular. Good leg muscle and straight feet. His lambs tend to be born slightly smaller than most and are very vigorous. Blaevar's fleece has quite a bit of tan distributed though it. His wool is very soft, with fine tog. Blaevar carries color.
