

KOLSKI

Kolski is a broad and muscular ram. Good back, rump and gigot muscling. Vigorous, long bodied, and powerful ram. Especially good loin. Excellent overall harmony. Overall score: 85.5

Kolski is son of AI sire Puki. Other AI sires in pedigree: Raftur- grandsire, and Visir.

Kolski is homozygous white ram, so all first generation progenies will be white.

Wool: Quantity average and fineness average.

Indexes: TMI - 113%, Carcass qualities - 111%, Leanness - 114%, Milking abilities - 106%, Prolificacy - 120%

We had one AI take with Kolski this fall. He will be the sire of Mandy's lambs.
