

Beautiful black mouflon ewe lamb The mouflon comes from the sire, our Grabotni-son, Roscoe. Both the dam and the sire are well built with excellent fleece, so this ewe lamb has great potential. Patsy, the dam, is a great yearling mother. Great AI lines including Grabotni, Bambi and Flotti from the sire and Rektor, Blettur, Muli and Laekur from the dam for a total of 69% AI genetics.

Sire: [KTB 405Z Roscoe, AI Grabotni son](#)

Dam: KTB-412Z Patsy
